

# MOMENI VENTURES

## Investment Profile

At MOMENI Ventures, our mission is to help build a more sustainable future by investing in early-stage real estate climate technology startups. We believe that the built environment has an essential role to play in tackling climate change and that technology is key to accelerating the decarbonization of real estate.

**The investment profile of MOMENI Ventures GmbH essentially follows the criteria below:**

|                          |  |
